Civil Construction • False Ceiling • Interior & Exterior Colour and Putty Work • Electrical Wiring • Steel & MS Fabrication • UPVC Windows & Sliding Doors • Epoxy Flooring • PU Industrial Flooring • Tiles & Marble Laying • Wardrobes, Furniture & Interior Woodwork • Mirror-Finish Walls • Rooftop Waterproofing

ABOUT STAND INFRA INDIA

ONE TEAM FROM FOUNDATION TO FINISH.

STAND Infra India brings civil work, finishing, fabrication and interiors together under one roof. Instead of managing separate contractors, you work with one team that plans, builds and finishes your home, shop, office or industrial space, and stays responsible for the result.

WHY STAND INFRA

One Team
For the whole job, start to finish

Quality Materials
Chosen to last

On-Time Work
Planned and tracked

Clean Finish
Neat work, tidy site

STRUCTURE

01 CIVIL CONSTRUCTION

We build the structure your project stands on, from the foundation to the roof slab. Our team handles RCC and masonry work for new homes, extensions and commercial buildings, with care at every stage.

WHERE IT FITS

Home | Shop | Commercial building

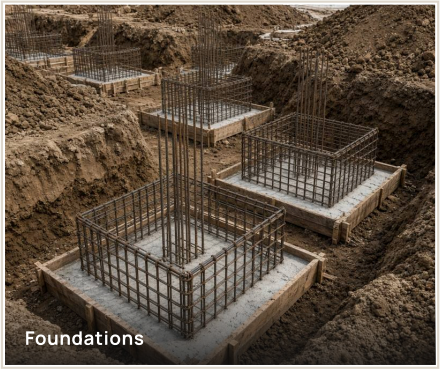
Call / WhatsApp 7978813579

WHAT WE DO

- Foundations and footings
- RCC columns, beams and slabs
- Brick and block masonry
- Internal and external plastering
- Extensions and renovation work
- Boundary and compound walls



Foundations

RCC slab work

Brickwork & plaster

CEILINGS

02 FALSE CEILING

A false ceiling hides wiring and beams, improves lighting and gives a room a finished look. We design and install ceilings to suit the room, the lighting plan and your budget.

WHERE IT FITS

Home | Office | Showroom

WHAT WE DO

- Gypsum board ceilings
- POP ceilings and cornices
- Grid ceilings for offices
- PVC and wooden panel ceilings
- Cove, profile and spot-light provisions
- Multi-level and bulkhead designs

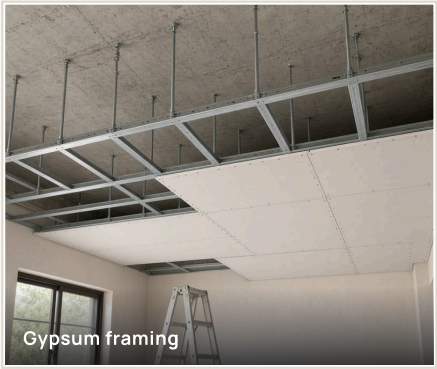
POP designs



Gypsum framing

03 INTERIOR & EXTERIOR COLOUR AND PUTTY WORK

Good paint starts with good preparation. We repair and level the surface, apply putty and primer, then finish with interior or exterior paint in the shade you choose.

WHERE IT FITS

Home | Shop | Office

WHAT WE DO

- Wall putty and surface levelling
- Crack filling and primer
- Interior emulsion painting
- Exterior weather-coat painting
- Texture and feature-wall finishes
- Enamel painting for wood and metal

Feature walls

Putty preparation

ELECTRICAL

04 ELECTRICAL WIRING

Wiring is the part of a building you rarely see but rely on every day. We plan and install neat, concealed wiring with proper protection and clearly organised circuits.

WHERE IT FITS

Home | Shop | Office

WHAT WE DO

- Concealed and surface conduit wiring
- Distribution boards and MCBs
- Switch, socket and lighting points
- Earthing
- Fan, light and fixture fitting
- Rewiring and upgrades for older buildings

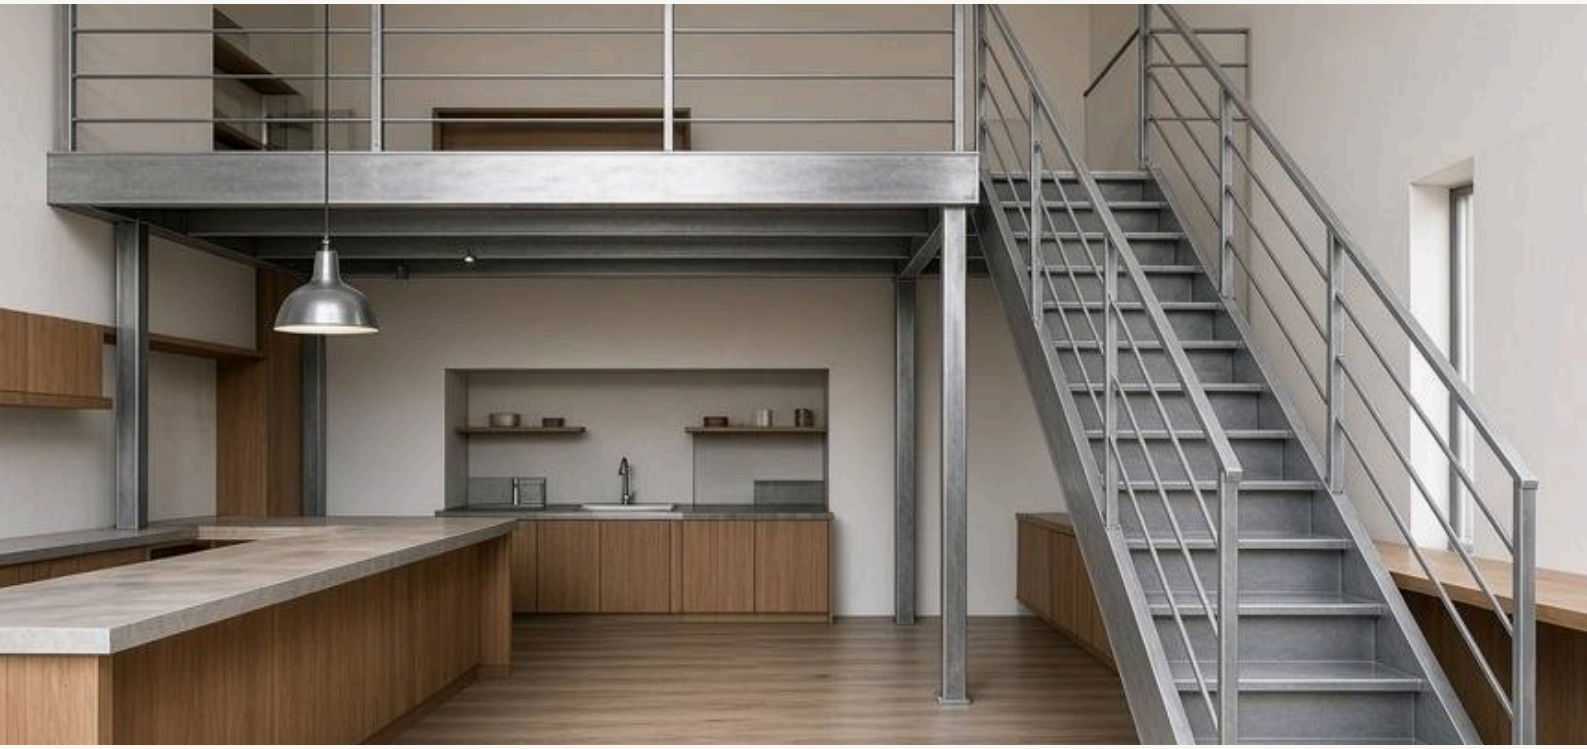
Concealed conduits

Switches & sockets

05 STEEL & MS FABRICATION



Strong, made-to-measure metalwork for security, access and extra space. We fabricate and install in mild steel and stainless steel to suit your site and design.

WHERE IT FITS

Home | Shop | Factory

WHAT WE DO

- Main gates and doors
- Window and safety grills
- Staircase and balcony railings
- Staircases and mezzanine floors
- Sheds and roofing structures
- Counters and frames for shops and restaurants

Call / WhatsApp 7978813579

WHAT WE DO

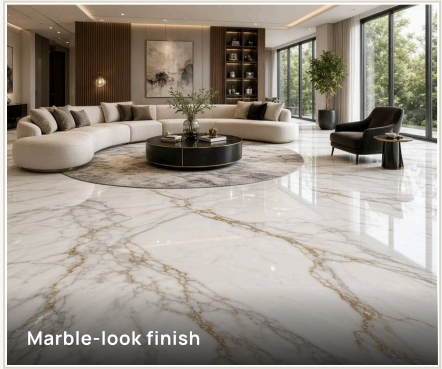
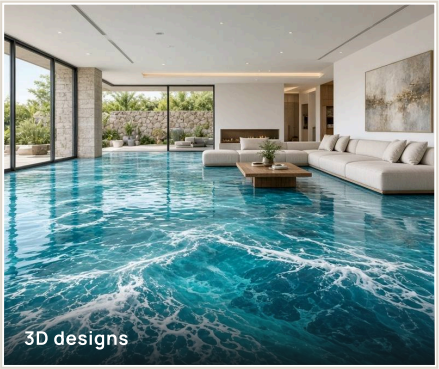
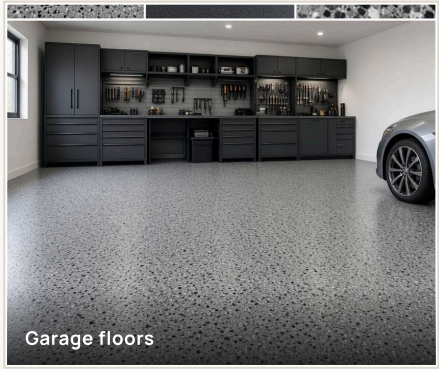
- Plain glossy or matte floors
- Marble-look and metallic finishes
- 3D, pearl and glitter designs
- Garage and parking floors
- Epoxy stairs
- Counter and table tops



Marble-look finish



3D designs



Garage floors

FLOORING

08 PU INDUSTRIAL FLOORING

Polyurethane (PU) floors are tough and seamless, made for areas with heavy use, spills and frequent cleaning. We prepare the base properly and choose a system to suit how the space is used.

WHERE IT FITS

Factory | Warehouse | Commercial kitchen

WHAT WE DO

- PU coatings for factories and warehouses
- PU screed floors
- Anti-skid finishes
- Lane and safety marking
- Floor repair and surface preparation
- Floors for commercial kitchens

FLOORING & WALLS

09 TILES & MARBLE LAYING

Floors and walls that are level, well aligned and built to last. We lay tiles, marble and granite with careful setting-out and neat, even joints.

WHERE IT FITS

Home | Shop | Office

WHAT WE DO

- Vitrified and ceramic floor tiles
- Marble and granite flooring
- Bathroom and kitchen wall tiles
- Staircase and step cladding
- Skirting and dado
- Grouting and finishing

INTERIORS

10 WARDROBES, FURNITURE & INTERIOR WOODWORK

Custom woodwork made to fit your rooms and the way you use them. We design and build wardrobes, furniture and panelling in the finish you choose.

WHERE IT FITS

Home | Office | Showroom

WHAT WE DO

- Sliding and hinged wardrobes
- TV units and storage cabinets
- Beds, study tables and shelving
- Wall panelling
- Wooden doors and frames
- Laminate, veneer and lacquer finishes

FEATURE WALLS

11 MIRROR-FINISH WALLS

High-gloss, marble-look feature walls that bring a premium look to any room. A striking choice for living rooms, bedrooms, reception areas and shop interiors.

WHERE IT FITS

Home | Office reception | Showroom

WHAT WE DO

- Marble-look feature walls
- High-gloss mirror finish
- Choice of colours and veining
- TV and bed back walls
- Reception and lobby walls
- Seamless finish over large areas

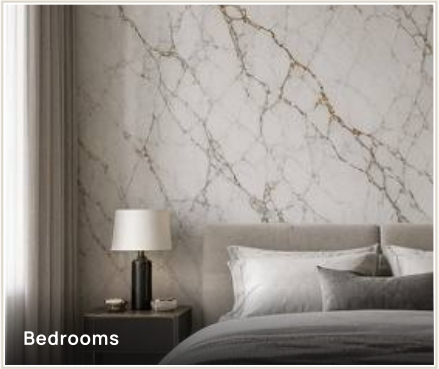
Call / WhatsApp 7978813579



WATERPROOFING

12 ROOFTOP WATERPROOFING

Leaks and seepage damage a building over time. We inspect the roof, prepare the surface and apply a waterproofing system suited to it.

WHERE IT FITS

Home | Shop | Factory

WHAT WE DO

- Roof inspection
- Crack and joint treatment
- Waterproof roof coatings
- Heat-reflective coatings
- Parapet and drain-outlet detailing
- Terrace and balcony treatment
